DOCTOR OF ARTS PROGRAM IN THAI

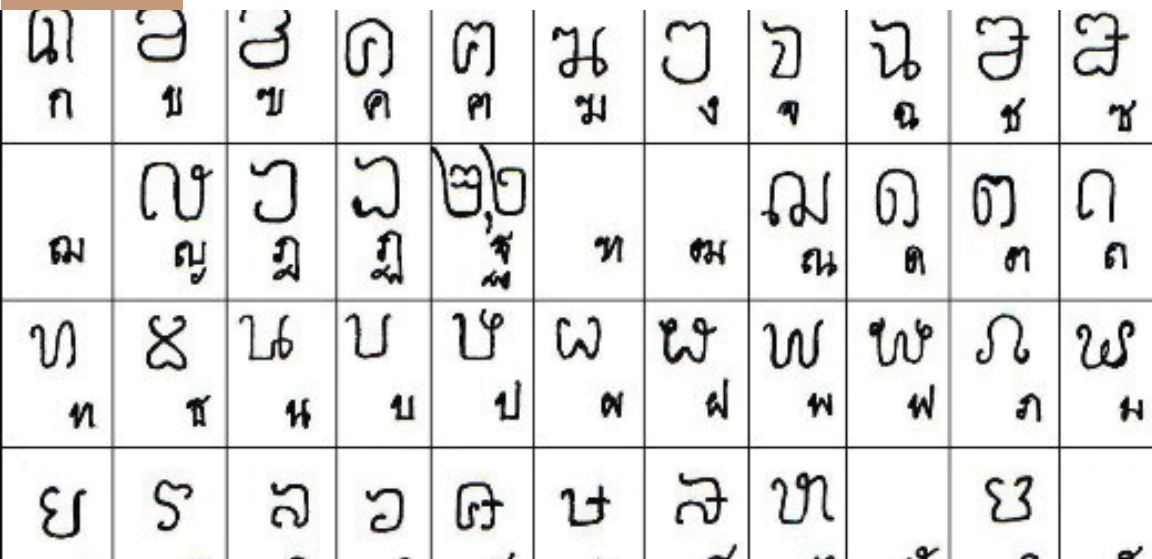

■ FACULTY OF HUMANITIES

DOCTOR OF ARTS PROGRAM IN THAI

This program aims at creating needed awareness in the self-sufficiency economy through the use of the Thai language as the medium. Special focus is in the areas of interpersonal relationships made possible by the use of language as a vehicle for conceptualization of transforming materialism to self-sufficiency economy.

In-depth and thorough understanding of the Thai language as a cultural foundation is disseminated with the stress on knowledge management and enriching the language through new research findings in the Thai language as a living language.

Moreover, the significant mission of the program is to enhance research capability in our doctoral students for enriching, maintaining, and preserving the art and science of the Thai language, literature, indigenous dialects, and folk literature as precious Thai legacies.

Objectives

The program has identified as desirable for graduates the following attributes:

- Authentic understanding of principles and theories of Thai language and literature.
- High level of knowledge and skills needed for appropriate application in effective work with the language.
- Expertise in advanced research for new knowledge creation.
- Initiatives in solutions of ethical problems in academic and professional contexts regarding the Thai language.
- Both leadership and followership.
- Responsibility as a team member.
